

## Compact Highbay FG

Introducing LEDOS Compact Highbay FG, an exemplary LED lighting solution meticulously engineered to meet the stringent demands of industrial environments, particularly in Food and Pharma-related production settings where sanitation reigns supreme. Designed to prioritize hygiene, this luminary is a beacon of cleanliness and efficiency, ensuring that your high-ceiling spaces are brilliantly illuminated while upholding the highest sanitation standards. With a commanding lumen output, the Compact Highbay FG guarantees optimal brightness, creating a well-lit environment essential for precision in manufacturing. Its exceptional light beam spread ensures uniform illumination even in the most complex and elevated spaces, enhancing visibility and productivity.

Its robust construction and adherence to sanitation norms make it the ideal choice for those operating in the Food and Pharma sectors where cleanliness is paramount.

### Applications

- Workshops & Assembly Lines
- Storage & Logistics
- Industrial & Commercial Halls
- Hangars
- Public places - airports & stations

Sizes	400mm	400mm	400mm
Wattage	100W	150W	200W
Lumen	13,000 lm	19,500 lm	26,000 lm

### Product Dimensions

### Product Dimensions

Ø 400 x 197 mm

### SDCM

<5 Steps

### Dimmable

ON/OFF, Dimmable 1-10V

### Material

Aluminum + PC

### Lamp Lumen Lifetime

50,000hrs @ L70/B50

### Beam Angle

60° 90° 120°

### System Efficacy (lm/W)

>130lm/W

### CRI

>80

### CCT

4000K, 5700K
